Questions Asked Via E-Mail

Q1: Will a variable message board be required and if so for what length of time?

A1: As stated on sheet C-3 of the construction plans: Contractor shall also install portable changeable (variable) message signs (PCMS, F.D.O.T. Index 670) on County road if impacted by construction, one (1) week prior to construction in order to inform residents and roadway users of the impending construction. The PCMS shall display lane closure information including but not limited to anticipated lanes to be closed, extent of lane closure (i.e. "Next 3 miles"), daily hours of closure, and temporary speed restrictions.

Q2: Will the Contractor have to provide written notice to residences adjacent to the project limits?

A2: As stated on sheet C-3 of the construction plans: Prior to construction, the Contractor shall provide written notice to all residences adjacent to the project limits.

Q3: Will asphalt leveling be required and if so what amount?

A3: A leveling course of asphalt is not anticipated on this project.
