Any failure by the CONTRACTOR to acquaint itself with any aspect of the work or with any of the applicable conditions will not relieve the CONTRACTOR from responsibility for adequately evaluating the difficulty or cost of successfully performing the work required, nor will it be considered a basis for any claim for additional time or compensation. The COUNTY assumes no responsibility for any conclusions or interpretations made by the CONTRACTOR on the basis of the information made available by the COUNTY. The COUNTY also

assumes no responsibility for any understanding or representations made by its officers or agents during or prior to the execution of this Agreement, unless such understanding or interpretations are made in writing and incorporated in this Agreement by reference.

6.8 Maintenance of Traffic.

A. In the event that any of the work is conducted within any public right of way, the CONTRACTOR shall provide proper Maintenance of Traffic (MOT). Unless otherwise specified, the standard specifications to be used for the Service will be the strictest and latest edition as promulgated by the Florida Department of Transportation (FDOT) or the Federal Highway Administration (FHWA).

B. Maintenance of traffic will be the responsibility of the CONTRACTOR, is part of the CONTRACTOR's proposal price, and must conform to FDOT's most current editions of "STANDARD SPECIFICATIONS FOR ROAD AND BRIDGE CONSTRUCTION," 2015 edition (or latest edition), or FDOT "ROADWAY AND TRAFFIC DESIGN STANDARDS," 2015 (or latest edition), or FDOT "MANUAL OF UNIFORM MINIMUM STANDARDS FOR DESIGN, CONSTRUCTION AND MAINTENANCE FOR STREETS AND HIGHWAYS," 2015 (or latest edition), Federal Highway Administration (FHWA) "MANUAL ON UNIFORM TRAFFIC CONTROL DEVICES (MUTCD)," 2015 (or latest edition), and all supplemental specifications. These documents can be ordered from FDOT, Maps and Publications Department, 605 Suwannee Street, Tallahassee, Florida, 32399-0450, or by going to the FDOT website at: www.dot.state.fl.us/mapsandpublications.

C. All costs associated with MOT must be included in the CONTRACTOR's proposal price. No separate line items for MOT will be included in the cost estimate. If the CONTRACTOR does not comply with all of the FDOT and the FHWA standards (i.e. signs, qualified flaggers, and barricades), the COUNTY reserves the right to direct the CONTRACTOR to cease operation until deficiencies are corrected. In addition, no road closures will be allowed except in the case of emergencies.

D. If the CONTRACTOR feels that assistance from an off duty police officer is needed, it will be the responsibility of the CONTRACTOR, at the CONTRACTOR's sole cost and expense, to hire and pay for this service.

E. All lane closures must have the prior approval of the COUNTY.

F. These requirements are to be considered a minimum and the CONTRACTOR's compliance will in no way relieve the CONTRACTOR of final responsibility for providing adequate traffic control devices for the protection of the public and the CONTRACTOR's employees throughout the work area.

G. The use of public roads and streets by the CONTRACTOR must provide minimal inconvenience to the public and traffic. Furthermore, if the CONTRACTOR is utilizing a road by driving slow moving equipment, the operator must allow no more than three (3) vehicles to be backed up behind them at any time before pulling to the side to let traffic pass.

6.9 Underground Utilities. Any required ground digging or subsurface work must be done in accordance with Chapter 556, Florida Statutes. It will be the responsibility of the CONTRACTOR to have all underground utilities located before any work may begin. This can be done by contacting Sunshine State One Call. They may be reached by calling 1-800-432-4770. The repairs of any damaged underground utilities as a result of the work being performed by the CONTRACTOR will be the responsibility of the CONTRACTOR. The CONTRACTOR shall contact the proper utility company immediately to expedite the repairs, if damage has occurred. The COUNTY must also be notified by telephone at the earliest opportunity and must be followed up with a written explanation of the incident within two (2) calendar days.

6.10 General Inspection Requirements.

A. Due to the nature of this Agreement, the COUNTY will, at the time of establishment of need, require the CONTRACTOR to become fully informed as to the nature and extent of the work required and its relation to any other work in the area, including possible interference from other site activities. Arrangement for the CONTRACTOR's inspection of facilities or sites and activity schedules may be secured from the user COUNTY department. Failure to visually inspect the facilities or sites may be cause for disqualification of the CONTRACTOR on that individual Service.

B. The CONTRACTOR shall furnish the COUNTY with every reasonable accommodation for ascertaining whether the work performed and materials used are in accordance with the requirements and intent of the contract documents. If the COUNTY so requests, the CONTRACTOR shall, at any time before final acceptance of the work, remove or uncover such portions of the finished work as may be directed. After examination, the CONTRACTOR shall restore the uncovered portions of the work to the standard required by the specifications. Should the work so exposed or examined prove unacceptable in the opinion of the COUNTY, the uncovering or removal, and the replacing of the covering or making good of the parts removed, will be at the CONTRACTOR's expense. However, should the work thus exposed or examined prove acceptable in the opinion of the COUNTY, the uncovering or removing and the replacing or the covering or making good of the parts removed, will be paid for as unforeseen work.

C. If, during or prior to construction operations, the COUNTY should fail to reject defective work or materials, whether from lack of discovery of such defect or for any other reason, such initial failure to reject will in no way prevent the COUNTY's later rejection when such defect is discovered, nor obligate the COUNTY to final acceptance or payment, and the CONTRACTOR will make no claim for losses suffered due to any necessary removals or repairs of such defects.

D. If, during or prior to construction operations, the COUNTY rejects any portion of the work on the grounds that the work or materials are defective, the COUNTY shall give the CONTRACTOR notice of the defect, which notice may be confirmed in writing. The CONTRACTOR will then have seven (7) calendar days from the date the notice is given to correct the defective condition. If the CONTRACTOR fails to correct the deficiency within the seven (7) calendar days after receipt of the notice, the COUNTY may take any action necessary, including correcting the deficient work utilizing another contractor, returning any non-compliant goods to the CONTRACTOR at the CONTRACTOR's expense or terminating the contract. The CONTRACTOR may not assess any additional charges for any conforming action taken

by the COUNTY. The COUNTY will not be responsible to pay for any product or service that does not conform to the contract specifications.

E. Should the CONTRACTOR fail to remove and renew any defective materials used or work performed, or to make any necessary corrections in an acceptable manner and in accordance with the contract requirements, within the time indicated in writing, the COUNTY will have the authority to cause the unacceptable or defective materials or work to be corrected as necessary at the CONTRACTOR's expense. Any expense incurred by the COUNTY, whether direct, indirect or consequential, in making these repairs, removals, or renewals will be paid for out of any monies due or which may become due to the CONTRACTOR. A change order will be issued, incorporating the necessary revisions to the contract documents, including an appropriate decrease to the contract amount. Such costs will include, but not be limited to, costs of repair and replacement of work destroyed or damaged by correction, removal or replacement of the CONTRACTOR's defective work and additional compensation due the COUNTY. The CONTRACTOR will not be allowed an extension of the contract time because of any delay in performance of the Service attributable to the exercise by the COUNTY of the COUNTY's rights and remedies under this Agreement. If the CONTRACTOR fails to honor the change order, the COUNTY may terminate this Agreement for default.

F. All work performed and all materials furnished must be in reasonably close conformity with the tolerances indicated in the specifications. In the event the COUNTY's Project Manager finds the materials or the finished product in which the materials are used and not within reasonably close conformity to the specifications, the COUNTY's Project Manager will then make a determination if the work will be accepted and remain in place. In this event, the COUNTY's Project Manager will document the basis of acceptance by a Change Order that will provide for an appropriate deduction as needed in the contract price for such work or materials as the COUNTY's Project Manager deems necessary to conform to the determination based on the COUNTY's Project Manager's professional judgment.

G. When the United States Government or the State of Florida is to pay a portion of the cost of construction, the work will be subject to such inspection by Federal or State representatives as deemed necessary, but such inspections will in no case make the United States Government or the State of Florida a party to this contract.

6.11 Service Materials and Storage.

A. Unless otherwise specified within the contract documents, all materials to be used to complete the Service, except where recycled content is specifically requested, must be new, unused, of recent manufacture, and suitable for its intended purpose. All goods must be assembled, fully serviced and ready for operation when delivered. In the event any of the materials supplied by the CONTRACTOR are found to be defective or do not conform to specifications: (1) the materials may be returned to the CONTRACTOR at the CONTRACTOR's expense and this Agreement may be terminated or (2) the COUNTY may require the CONTRACTOR to replace the materials at the CONTRACTOR's expense.

B. Materials must be placed to permit easy access for proper inspection and identification of each shipment. Any material which has deteriorated, become damaged, or is otherwise unfit for use, as determined by the COUNTY, must not be used for the Service, and must be removed from the site by the CONTRACTOR at the CONTRACTOR's expense. Until incorporated into the work, materials will be the sole responsibility of the CONTRACTOR and the CONTRACTOR will not be paid for such materials until incorporated into the work. If any chemicals, materials or products containing toxic substances are to be used at any time, the CONTRACTOR shall furnish a Material Safety Data Sheet to the COUNTY prior to commencing such use.

C. When not specifically identified in the technical specifications, materials and equipment must be of a suitable type and grade for the purpose which they are used.

D. All unusable materials and debris must be removed from the premises by the CONTRACTOR at the end of each workday and disposed of in an appropriate manner.

6.12 Time for Completion and Extensions.

A. Purchase orders will be issued for Services to the CONTRACTOR. Issuance of a purchase order is not a directive to begin work unless otherwise specified. A written Notice to Proceed is required for the CONTRACTOR to schedule or begin work. Email notice is acceptable.

B. The CONTRACTOR shall diligently pursue the completion of the work and coordinate the work being done on the Service by its subcontractors and material suppliers, as well as coordinate the CONTRACTOR's work with the work of other contractors so that the CONTRACTOR's work or the work of others will not be delayed or impaired. The CONTRACTOR will be solely responsible for all construction means, methods, techniques, sequences and procedures, as well as coordination of all portions of the work under the contract documents. The time for completion requirements are contained in Article 3.2 above.

C. Should the CONTRACTOR be obstructed or delayed in the completion of the work as a result of unforeseeable causes beyond the control of the CONTRACTOR, and not due to the CONTRACTOR's fault or neglect, the CONTRACTOR shall notify the COUNTY in writing within twenty-four (24) hours after the commencement of such delay, stating the cause or causes of the delay, or be deemed to have waived any right which the CONTRACTOR may have had to request a time extension.

D. If the CONTRACTOR complies with the twenty-four (24) hour notice requirement, the COUNTY will ascertain the facts and the extent of the delay being claimed and recommend an extension to the contract time when, in the COUNTY's sole judgment, the findings of fact justify such an extension. The CONTRACTOR shall cooperate with the COUNTY's investigation of the delays by providing any schedules, correspondence or other data that may be required to complete the findings of fact. Extensions to the contract time may be granted only for those delays which impact the CONTRACTOR's construction schedule. Extensions of contract time, if approved by the COUNTY, must be authorized by written change order.

6.13 Changes in the Scope of Services.

A. The COUNTY may at any time, by written change order, in accordance with the COUNTY's Purchasing Policy and Procedures, increase or decrease the scope of the work. For changes in work requested by the CONTRACTOR, the CONTRACTOR must prepare and submit change order requests for the COUNTY's approval. Each change order will include time and monetary impacts of the change, whether the change order is considered alone or with all other changes during the course of the Service. Both the COUNTY and the CONTRACTOR must execute the change order for the order to become effective.

B. The value of such extra work or change will be determined by the contract unit values, if applicable unit values are set forth in this Agreement. The amount of the change will be computed from such values and added to or deducted from the contract price.

C. If the COUNTY and the CONTRACTOR are unable to agree on the change order for a requested change, the CONTRACTOR shall, nevertheless, promptly perform the change as directed in writing by the COUNTY. If the CONTRACTOR disagrees with the COUNTY's adjustment determination, the CONTRACTOR must make a claim pursuant to the Claims and Disputes section in this Agreement, or else be deemed to have waived any claim on this matter the CONTRACTOR might have otherwise had.

D. For work not contemplated by the original Agreement, the amount of an increase will be limited to the CONTRACTOR's reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit, unless otherwise agreed to in writing by the COUNTY. In such case, the CONTRACTOR will keep and present to the COUNTY an itemized accounting together with appropriate supporting data. In the event such changed work is performed by a subcontractor, a maximum ten percent (10%) markup for all overhead and profit for all subcontractors' direct labor and material costs and actual equipment costs will be permitted, with a maximum five percent (5%) markup by the CONTRACTOR for all of its overhead and profit, for a total overall maximum markup of fifteen percent (15%) of the amount of changed work. All compensation due the CONTRACTOR and any subcontractor or sub-subcontractor for field and home office overhead is included in the markups listed above.

E. The COUNTY will not be liable to the CONTRACTOR for any increased compensation in the absence of a written change order executed in accordance with the COUNTY's policy. The payment authorized by such a change order will represent full and complete compensation to the CONTRACTOR for labor, materials, incidental expenses, overhead, profit, impact costs and time associated with the work authorized by such change order.

F. Execution by the CONTRACTOR of a properly authorized change order will be considered a waiver of all claims or requests for additional time or compensation for any activities prior to the time of execution related to items included in the change order.

G. Upon receipt of an approved change order, changes in the Scope of Services must be promptly performed. All changes in work must be performed under the terms and conditions of this Agreement.

H. Change orders will not be issued for incidental items or tasks that should have been reasonably construed to be part of the project by the CONTRACTOR.

6.14 Claims and Disputes.

A. Claims by the CONTRACTOR must be made in writing to the COUNTY within two (2) business days, unless another provision of this Agreement sets forth a different time frame, after the commencement of the event giving rise to such claim or the CONTRACTOR will be deemed to have waived the claim. All claims will be priced in accordance with the section in this document entitled "Changes in the Scope of Services".

B. The CONTRACTOR shall proceed diligently with its performance as directed by the COUNTY, regardless of any pending claim, action, suit, or administrative proceeding, unless otherwise agreed to by the COUNTY in writing. The COUNTY shall continue to make payments on the undisputed portion of the contract in accordance with the contract documents during the pendency of any claim.

C. Claims by the CONTRACTOR will be resolved in the following manner: (1) Upon receiving the claim and supporting data, the COUNTY will within fifteen (15) calendar days respond to the claim in writing stating that the claim is either approved or denied. If denied, the COUNTY will specify

the grounds for denial. The CONTRACTOR will then have fifteen (15) calendar days in which to provide additional supporting documentation, or to notify the COUNTY that the original claim stands as is. (2) If the claim is not resolved, the COUNTY may, at its option, choose to submit the matter to mediation. A mediator will be mutually selected by the parties and each party will pay one-half (1/2) the expense of mediation. If the COUNTY declines to mediate the dispute, the CONTRACTOR may bring an action in a court of competent jurisdiction in and for Lake County, Florida.

D. Claims by the COUNTY against the CONTRACTOR must be made in writing to the CONTRACTOR as soon as the event leading to the claim is discovered by the COUNTY. Written supporting data will be submitted to the CONTRACTOR. All claims will be priced in accordance with the provisions of the section in this document entitled "Changes in the Scope of Services". The CONTRACTOR shall respond in writing within fifteen (15) calendar days of receipt of the claim. If the claim cannot be resolved, the COUNTY may submit the matter to mediation as set forth in (C) above.

E. Arbitration will not be considered as a means of dispute resolution.

F. **NO CLAIM FOR DAMAGES OR ANY CLAIM OTHER THAN FOR AN EXTENSION OF TIME MAY BE MADE OR ASSERTED AGAINST THE COUNTY BY REASON OF ANY DELAYS.** No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the work will relieve the CONTRACTOR of its duty to perform or give rise to any right to damages or additional compensation from the COUNTY. The CONTRACTOR expressly acknowledges and agrees that the CONTRACTOR will receive no damages for delay. However, this provision will not preclude recovery or damages by the CONTRACTOR for hindrances or delays due solely to fraud, bad faith or active interference on the part of the COUNTY. Otherwise, the CONTRACTOR will be entitled to extensions of the contract time as the sole and exclusive remedy for such resulting delay, in accordance with and to the extent specifically provided above.

6.15 Acceptance of the Work and Final Payment. The work delivered and services rendered under this Agreement will remain the property of the CONTRACTOR and will not be deemed complete until a physical inspection and actual usage of the Service is accepted by the COUNTY and will be in compliance with the terms of this Agreement, fully in accord with the specifications and of the highest quality. Any goods or services purchased under this Agreement may be tested/inspected for compliance with the specifications listed.

A. Final Inspection. When all materials have been furnished, all work has been performed, and the construction contemplated by this Agreement has been satisfactorily completed, the COUNTY shall make the final inspection. The final inspection must be completed within five (5) business days of receipt of notification from the CONTRACTOR that the Service is ready. The COUNTY shall notify the CONTRACTOR if necessary of any deficiencies with the Service, and the CONTRACTOR shall correct all deficiencies before final acceptance and payment is made.

B. Maintenance of Work. The CONTRACTOR shall maintain all work in as-new condition until the final inspection is completed and the work is accepted by the COUNTY. All insurance must be maintained until final acceptance by the COUNTY.

C. Final Acceptance. When the Service or any portion of the Service, as designated by the COUNTY, is ready for its intended use, the COUNTY and any other invited parties will make an inspection of the Service, to verify its completeness and develop a punch list of items needing completion or correction before final payment will be made. The CONTRACTOR will have ten (10) calendar days to correct all deficiencies. An eighty dollar (\$80.00) re-inspection fee will be applied for the third inspection and any required re-inspection. The COUNTY may exclude the CONTRACTOR from those portions of the work

designated as complete after the inspection; provided, however, that the CONTRACTOR will have reasonable access for the time allotted by the COUNTY to complete or correct items on the punch list.

When the work provided for under this Agreement has been completely performed by the CONTRACTOR, and the final inspection has been made by the COUNTY, a final invoice will be prepared by the CONTRACTOR. The amount of this invoice, less any sums that may have been deducted or retained under the provisions of this Agreement, will be paid to the CONTRACTOR in accordance with Article 4 of this Agreement, and after the CONTRACTOR has agreed in writing to accept the balance due, as determined by the COUNTY, as full settlement of the account under the contract and of all claims in connection with the invoice. Occupancy by the COUNTY alone does not constitute final acceptance.

D. Waiver of Claims. The CONTRACTOR's acceptance of final payment will constitute a full waiver of any and all claims by the CONTRACTOR against the COUNTY arising out of the contract or otherwise related to the Service, except those previously made in writing and identified by the CONTRACTOR as unsettled at the time the final estimate is prepared. Neither the acceptance of the work nor payment by the COUNTY will be deemed a waiver of the COUNTY's rights to enforce any continuing obligations of the CONTRACTOR or to the recovery of damages for defective work not discovered by the COUNTY at the time of final inspection.

E. Termination of Contractor's Responsibilities. This Agreement will be considered complete when all work has been completed and accepted by the COUNTY and all warranty periods have expired. The CONTRACTOR will then be released from further obligation except as set forth in this Agreement.

F. Recovery Rights Subsequent to Final Payment. The COUNTY reserves the right, should an error be discovered in the invoice, or should proof of defective work or materials used by or on the part of the CONTRACTOR be discovered after the final payment has been made, to claim and recover from the CONTRACTOR by process of law, such sums as may be sufficient to correct the error or make good the defects in the work and materials, including any fees or costs associated with the additional services of the COUNTY.

6.16 Warranties. All warranties will begin on the date of the COUNTY's acceptance and will last for a period of twelve (12) months unless otherwise specified in the Scope of Services, plans or specifications. The CONTRACTOR shall obtain and assign to the COUNTY all express warranties given to the CONTRACTOR or any subcontractors by any material suppliers, equipment or fixtures to be incorporated into the Service. The CONTRACTOR warrants to the COUNTY that any materials and equipment furnished under the contract documents will be new unless otherwise specified, and that all work will be of good quality, free from defects and in conformance with the contract documents. The CONTRACTOR further warrants to the COUNTY that all materials and equipment furnished under the contract documents will be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for the contract documents. This warranty requirement will remain in force for the full period identified above, regardless of whether the CONTRACTOR is still under contract at the time of the defect. These warranties are in addition to those implied warranties to which the COUNTY is entitled as a matter of law. Further, a specific warranty period is included as a requirement as follows:

A. If sod is used as part of the Service, it must be warranted to be free of noxious and invasive weeds, disease, and insects. If pests or noxious weeds manifest themselves within sixty (60) days of placement of the sod, the CONTRACTOR shall treat the affected areas. The process for treating these areas must be approved by the COUNTY. If the sod does not meet any of the required specifications, the CONTRACTOR will be responsible to replace it at no expense to the COUNTY. It

will be the responsibility of the CONTRACTOR to insure that the sod is sufficiently established as described as specified in the scope of services, plans, or specifications. This will include watering the sod on a regular basis as needed to keep it alive until established. Established will be considered as being sufficiently rooted, as determined by the Project Manager, into the surface that it was installed. If the sod dies or does not become established the CONTRACTOR shall replace the sod at no cost to the COUNTY.

B. Correcting Defects Covered Under Warranty. The CONTRACTOR shall promptly correct any deficiency, at no cost to the COUNTY, within five (5) calendar days after the COUNTY notifies the CONTRACTOR of such deficiency in writing. If the CONTRACTOR fails to honor the warranty or fails to correct or replace the defective work or items within the period specified, the COUNTY may, at its discretion, notify the CONTRACTOR in writing that the CONTRACTOR may be debarred as a vendor of the COUNTY, and may become subject to contractual default if the corrections or replacements are not completed to the satisfaction of the COUNTY within five (5) calendar days of receipt of the notice. If the CONTRACTOR fails to satisfy the warranty within the period specified in the notice, the COUNTY may (a) place the CONTRACTOR in default of its contract and (b) procure the products or services from another source and charge the CONTRACTOR for any additional costs that are incurred by the COUNTY for this work or items, either through a credit memorandum or through invoicing.

6.17 Liquidated Damages. Unless otherwise agreed to, weather events are specifically excluded as excused cause for delay under this Agreement and no additional days will be given for rain days. If the deficiencies have been noted and the remedies have not been completed within the contracted time, the COUNTY may send out a notification notifying the CONTRACTOR of an assessment of Liquidated Damages that can be applied for any day over the time allowed under this Agreement.

The COUNTY and the CONTRACTOR recognize that, since time is of the essence for this Agreement, the COUNTY will suffer financial loss if the work is not completed within the time specified. The COUNTY will be entitled to assess, as Liquidated Damages, but not as a penalty, for each calendar day after the scheduled completion date the Service continues. The Service will be deemed to be completed on the date the work is considered complete to the satisfaction of the COUNTY. The CONTRACTOR hereby expressly waives and relinquishes any right which it may have to seek to characterize the Liquidated Damages as a penalty. The parties agree that the Liquidated Damages sum represents a fair and reasonable estimate of the COUNTY's actual damages at the time of contracting if the CONTRACTOR fails to complete the work in a timely manner. The Liquidated Damages will be as follows:

<u>Specific Service Amount</u>	<u>Daily Charge Per Calendar Day</u>
\$5,000 and under.....	\$ 25
Over \$5,000 but less than \$10,000.....	\$ 65
\$10,000 or more but less than \$20,000.....	\$ 91
\$20,000 or more but less than \$30,000.....	\$121
\$30,000 or more but less than \$40,000.....	\$166
\$40,000 or more but less than \$50,000.....	\$228
\$50,001 or more.....	\$250

The COUNTY will retain from the compensation to be paid to the CONTRACTOR the above described sum. Any CONTRACTOR that is in default for not completing the work within the time specified, at the option of the COUNTY, may not be permitted to perform work for the COUNTY until the Service is complete and the liquidated damages sum is satisfied.

6.18 Sanitation. If the Service does not involve interior work, the CONTRACTOR shall provide and maintain adequate sanitary conveniences for the use of persons employed for the Service. These conveniences will be maintained at all times without nuisance, and their use must be strictly enforced. The location of these conveniences will be subject to the COUNTY's Project Manager's approval. All such facilities will be installed and maintained in accordance with applicable Federal, State, and local laws.

6.19 Submittals and Equal Products.

A. Submittals of products required for the Service assigned to the CONTRACTOR under this Agreement, must be supplied to the COUNTY for pre-approval prior to the start of the work. These documents must be provided to the COUNTY at least one (1) week before the installation.

B. If a product or service requested by the COUNTY for the Service has been identified in the specifications by a brand name, and has not been notated as a "No Substitute," item, such identification is intended to be descriptive and not restrictive, and is to indicate the quality and characteristics of product or service that will be acceptable. If the CONTRACTOR offers an alternate product or service for consideration, such product must be clearly identified by the CONTRACTOR to the COUNTY. The COUNTY shall make a determination whether the alternate meets the salient characteristics of the specifications. An alternate product will not be considered for any item notated "No Substitute."

C. Unless the CONTRACTOR clearly indicates in its response that it is proposing an alternate product, the response will be considered as offering the same brand name referenced in the specifications. If the CONTRACTOR proposes to furnish an alternate product or service, the brand name of the product or service to be furnished must be clearly identified. A formal submittal for the alternate/shop drawings must be submitted. The evaluation of the alternate and the determination as to acceptability of the alternate product or service will be the responsibility of the COUNTY and will be based upon information furnished by the CONTRACTOR. The COUNTY will not be responsible for locating or securing any information which is not included in the CONTRACTOR's response. To ensure that sufficient information is available, the CONTRACTOR will furnish as part of the bid or proposal all descriptive material by providing the manufacturer specification sheets so the COUNTY can make an informed determination whether the product offered meets the salient characteristics required by the specifications. Failure to do so will require the use of the specified products.

6.20 Fees. The following is a list of fees that may be assessed to the CONTRACTOR during the term of this Agreement. These fees are assessed to help offset the additional costs associated with COUNTY labor and vehicle usage required for unnecessary inspections or missed appointments. The fees, if any, will be deducted from the final invoices.

A.	Missing scheduled appointments	\$ 70.00 each
B.	Failure to respond to emergency calls	\$250.00 per day
C.	Late to emergency calls	\$ 36.00 per hour
D.	Inspected unacceptable workmanship	\$ 80.00 each inspection
E.	Failure to provide any and all required documentation or reports	\$ 75.00 per day
F.	Failure to pass all inspecting authority re-inspections (within 30 days of initial inspection)	\$250.00 per day

The eighty dollar (\$80.00) fee shown above is a re-inspection fee for uncorrected workmanship. The fee will be applied to the third inspection and for any subsequent inspections. Any re-inspection fee charged to the COUNTY by other agencies having jurisdiction over the Service, will additionally be charged back to the CONTRACTOR.

Article 7. Special Terms and Conditions

7.1 Termination. This Agreement may be terminated by the COUNTY upon ten (10) calendar days' written notice to the other party; but if any work, service or task under this Agreement is in progress but not completed on the date of termination, then this Agreement may be extended upon written approval of the COUNTY until the work, service, or task is completed and accepted.

A. Termination for Convenience. In the event this Agreement is terminated or cancelled upon the request and for the convenience of the COUNTY with the required ten (10) calendar days' written notice, the COUNTY will reimburse the CONTRACTOR for actual work satisfactorily completed.

B. Termination for Cause. Termination by the COUNTY for cause, default, or negligence on the part of the CONTRACTOR will be excluded from the above provision. Termination costs, if any, will not apply. The ten (10) calendar days' written notice requirement is waived in the event of termination for cause.

C. Termination Due to Unavailability of Funds in Succeeding Fiscal Years. When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year, this Agreement will be canceled and the CONTRACTOR will be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services/tasks delivered under this Agreement.

7.2 Assignment of Agreement. This Agreement may not be assigned except with the written consent of the COUNTY's Procurement Services Director. No such consent will be construed as making the COUNTY a party to the assignment or subjecting the COUNTY to liability of any kind to any assignee. No assignment will under any circumstances relieve the CONTRACTOR of liability and obligations under this Agreement and all transactions with the COUNTY must be through the CONTRACTOR. Additionally, unless otherwise stipulated in this Agreement, the CONTRACTOR shall notify and obtain prior written consent from the COUNTY prior to being acquired or subject to a hostile takeover. Any acquisition or hostile takeover without the prior consent of the COUNTY may result in termination of this Agreement for default.

7.3 Insurance.

A. The CONTRACTOR shall purchase and maintain at all times during the term of this Agreement, without cost or expense to the COUNTY, policies of insurance as indicated below, with a company or companies authorized to do business in the State of Florida, and which are acceptable to the COUNTY, insuring the CONTRACTOR against any and all claims, demands, or causes of action whatsoever, for injuries received or damage to property relating to the performance of duties, services and obligations of the CONTRACTOR under the terms and provisions of the Agreement. An original certificate of insurance, indicating that the CONTRACTOR has coverage in accordance with the requirements of this section, must be furnished by the CONTRACTOR to the COUNTY's Project Manager and Procurement Services Director within five (5) working days of such request and must be received and accepted by the COUNTY prior to contract execution and before any work begins.

The parties agree that the policies of insurance and confirming certificates of insurance must insure the CONTRACTOR is in accordance with the following minimum limits:

(iii) Workers' compensation insurance based on proper reporting of classification codes and payroll amounts in accordance with Chapter 440, Florida Statutes, and any other applicable law requiring workers' compensation (Federal, maritime, etc.). If not required by law to maintain workers' compensation insurance, the CONTRACTOR must provide a notarized statement that if he or she is injured, he or she will not hold the COUNTY responsible for any payment or compensation.

(iv) Employers Liability with the following minimum limits and coverage:

B. Lake County, a Political Subdivision of the State of Florida, and the Board of County Commissioners, must be named as an additional insured as their interest may appear on all applicable policies. Certificates of insurance must identify the RFP number in the Description of Operations section of the Certificate.

C. Certificates of insurance must provide for a minimum of thirty (30) days prior written notice to the County of any change, cancellation, or nonrenewal of the required insurance. It is the CONTRACTOR's specific responsibility to ensure that any such notice is provided within the stated timeframe to the certificate holder.

D. The CONTRACTOR must provide a copy to the COUNTY's of all policy endorsements, reflecting the required coverage, with Lake County listed as an additional insured along with all required provisions to include waiver of subrogation. (*Note: A simple COI WILL NOT be accepted in lieu of the policy endorsements*).

E. Certificates of insurance must evidence a waiver of subrogation in favor of the COUNTY, that coverage must be primary and noncontributory, and that each evidenced policy includes a Cross Liability or Severability of Interests provision, with no requirement of premium by the COUNTY.

F. Certificate holder must be:

LAKE COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF FLORIDA,
AND THE BOARD OF COUNTY COMMISSIONERS.
P.O. BOX 7800
TAVARES, FL 32778-7800

G. All self-insured retentions must appear on the certificates and will be subject to approval by the COUNTY. At the option of the COUNTY, the insurer must reduce or eliminate such self-insured retentions; or the CONTRACTOR will be required to procure a bond guaranteeing payment of losses and related claims expenses.

H. The COUNTY will be exempt from, and in no way liable for, any sums of money, which may represent a deductible or self-insured retention in any insurance policy. The payment of such deductible or self-insured retention will be the sole responsibility of the CONTRACTOR and subcontractor providing such insurance.

I. The CONTRACTOR will be responsible for subcontractors and their insurance. Subcontractors are to provide Certificates of Insurance to the COUNTY evidencing coverage and terms in accordance with the CONTRACTOR's requirements.

J. Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of this Agreement for default.

K. Neither approval by the COUNTY of any insurance supplied by the CONTRACTOR, nor a failure to disapprove that insurance, will relieve the CONTRACTOR of full responsibility of liability, damages, and accidents as set forth in this Agreement.

7.4 Indemnity. The CONTRACTOR shall indemnify and hold the COUNTY and its agents, officers, commissioners and employees harmless for any damages resulting from failure of the CONTRACTOR to take out and maintain the above insurance. Additionally, the CONTRACTOR shall indemnify, and hold the COUNTY and its agents, officers, commissioners, and employees, free and harmless from and against any and all losses, penalties, damages, settlements, costs, charges, professional fees or other expenses or liabilities resulting from the negligent act, error or omission of the CONTRACTOR, its agents, employees or representative, in the performance of the CONTRACTOR's duties as set forth in this Agreement.

7.5 Independent Contractor. The CONTRACTOR, and all its employees, agree that they will be acting as independent contractors and will not be considered or deemed to be an agent, employee, joint venturer, or partner of the COUNTY. The CONTRACTOR will have no authority to contract for or bind the COUNTY in any manner and shall not represent itself as an agent of the COUNTY or as otherwise authorized to act for or on behalf of the COUNTY. Additionally, the CONTRACTOR warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the CONTRACTOR to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm other than a bona fide employee working solely for the CONTRACTOR any fee, commission, percentage, gift, or other consideration contingent upon on resulting from the award or making of this Agreement.

7.6 Return of Materials. Upon the request of the COUNTY, but in any event upon termination of this Agreement, the CONTRACTOR shall surrender to the COUNTY all memoranda, notes, records, drawings, manuals, computer software, and other documents or materials pertaining to the services under this Agreement, that were furnished to the CONTRACTOR by the COUNTY pursuant to this Agreement.

7.7 Public Entity Crimes. A person or affiliate who has been placed on the convicted vendor list following a conviction of a public entity crime may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity in excess of the threshold amount provided in Florida Statutes, Section 287.017 for Category Two for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

7.8 Conflict of Interest. The CONTRACTOR agrees that it will not engage in any action that would create a conflict of interest in the performance of its obligations pursuant to this Agreement, or which would violate or cause others to violate the provisions of Part III, Chapter 112, Florida Statutes, relating to ethics in government. Further, the CONTRACTOR hereby certifies that no officer, agent, or employee of the COUNTY has any material interest either directly or indirectly in the business of the CONTRACTOR conducted here and that no such person may have any such interest at any time during the term of this Agreement unless approved by the COUNTY.

7.9 Retaining Other Contractors. Nothing in this Agreement will be deemed to preclude the COUNTY from retaining the services of other persons or entities undertaking the same or similar services as those undertaken by the CONTRACTOR or from independently developing or acquiring materials or programs that are similar to, or competitive with, the services provided under this Agreement.

While the COUNTY has listed all major items which are utilized by County departments in conjunction with their operations, there may be similar or ancillary items that must be purchased by the COUNTY during the term of this Agreement. Under these circumstances, a County representative will contact the CONTRACTOR to obtain a price quote for the similar or ancillary items. The COUNTY reserves the right to award these ancillary items to the CONTRACTOR, another vendor based on the lowest price quoted, or to acquire the items through a separate solicitation.

7.10 Accuracy. The CONTRACTOR is responsible for the professional quality, technical accuracy, timely completion and coordination of all the services furnished under this Agreement. The CONTRACTOR shall, without additional compensation, correct or revise any errors, omissions or other deficiencies in resulting from the services provided in this Agreement.

7.11 Additional Services. Services not specifically identified in this Agreement may be added to the Agreement upon execution of a written amendment. The COUNTY reserves the right to award any additional services to the CONTRACTOR or to acquire the items from another vendor through a separate solicitation.

7.12 Right to Audit. The COUNTY reserves the right to require the CONTRACTOR to submit to an audit by any auditor of the COUNTY's choosing. The CONTRACTOR shall provide access to all of its records, which relate directly or indirectly to this Agreement at its place of business during regular business hours. The CONTRACTOR shall retain all records pertaining to this Agreement and upon request make them available to the COUNTY for three (3) complete calendar years following expiration of the Agreement. The CONTRACTOR agrees to provide such assistance as may be necessary to facilitate the review or audit by the COUNTY to ensure compliance with applicable accounting and financial standards. This provision is hereby considered to be included within, and applicable to, any subcontractor agreement entered into by the CONTRACTOR in performance of any work under this Agreement.

If an audit inspection or examination pursuant to this section discloses overpricing or overcharges of any nature by the CONTRACTOR to the COUNTY in excess of one percent (1%) of the total contract billings, in addition to making adjustments for the overcharges, the reasonable actual cost of the COUNTY's audit must be reimbursed to the COUNTY by the CONTRACTOR. Any adjustments or payments which must be made as a result of any such audit or inspection of the CONTRACTOR's invoices or records must be made within a reasonable amount of time, but in no event may the time exceed ninety (90) calendar days, from presentation of the COUNTY's audit findings to the CONTRACTOR.

7.13 Public Records.

A. All electronic files, audio and video recordings, and all papers pertaining to any activity performed by the contractor for or on behalf of the COUNTY will be the property of the COUNTY and will be turned over to the COUNTY upon request. In accordance with Chapter 119, Florida Statutes, each file and all papers pertaining to any activities performed for or on behalf of the COUNTY are public records available for inspection by any person even if the file or paper resides in the CONTRACTOR's office or facility. The CONTRACTOR shall maintain the files and papers for not less than three (3) complete calendar years after the Service has been completed or terminated, or in accordance with any grant requirements, whichever is longer. Prior to the close out of the contract, the CONTRACTOR shall appoint a records custodian to handle any records request and provide the custodian's name and telephone numbers to the COUNTY's Project Manager.

B. Any copyright derived from this Agreement will belong to the author. The author and the CONTRACTOR must expressly assign to the COUNTY nonexclusive, royalty free rights to use any and all information provided by the CONTRACTOR in any deliverable for the COUNTY's use which may include publishing in the COUNTY's documents and distribution as the COUNTY deems to be in the COUNTY's best interests. If anything included in any deliverable limits the rights of the COUNTY to use the information, the deliverable will be considered defective and not acceptable and the CONTRACTOR will not be eligible for any compensation.

C. Pursuant to Section 119.0701, Florida Statutes, the CONTRACTOR shall comply with the Florida Public Records' laws, and shall:

1. Keep and maintain public records required by the COUNTY to perform the services identified in this Agreement.
2. Upon request from the COUNTY's custodian of public records, provide the COUNTY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the CONTRACTOR does not transfer the records to the COUNTY.
4. Upon completion of the contract, transfer, at no cost, to the COUNTY all public records in possession of the CONTRACTOR or keep and maintain public records required by the COUNTY to perform the service. If the CONTRACTOR transfers all public records to the COUNTY upon completion of the contract, the CONTRACTOR shall destroy any duplicate public records that are exempt, or confidential and exempt, from public records disclosure requirements. If the

CONTRACTOR keeps and maintains public records upon completion of the contract, the CONTRACTOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the COUNTY, upon request from the COUNTY's custodian of public records, in a format that is compatible with the information technology systems of the COUNTY.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS, SANDRA ROGERS, AT LAKE COUNTY PROCUREMENT SERVICES, 352-343-9839, P.O. BOX 7800, TAVARES, FL 32778-7800, OR VIA EMAIL AT SROGERS@LAKECOUNTYFL.GOV.

Failure to comply with this subsection will be deemed a breach of the contract and enforceable as set forth in Section 119.0701, Florida Statutes.

7.14 Force Majeure. The parties will exercise every reasonable effort to meet their respective obligations under this Agreement, but will not be liable for delays resulting from force majeure or other causes beyond their reasonable control, including, but not limited to, compliance with any Government law or regulation, acts of nature, acts or omissions of the other party, Government acts or omissions, fires, strikes, national disasters, wars, riots, transportation problems and any other cause whatsoever beyond the reasonable control of the parties. Any such cause will extend the performance of the delayed obligation to the extent of the delay so incurred.

7.15 Business Hours of Operation. Unless otherwise specified in the technical specifications, all work performed must be accomplished between the hours of 8:00 A.M. and 5:00 P.M., Monday through Friday, and no work may be performed on Saturdays, Sundays, or County Holidays, unless permission to work has been requested in writing by the CONTRACTOR and approval, in writing, has been granted by the COUNTY. Request for permission to work must be received by the COUNTY no less than two (2) days prior to the requested workday. The exception to this pre-approval requirement would be in the case of an emergency in which the emergency specification as outlined in General Terms and Conditions, Section 3, Emergencies, would apply. County Holidays are as follows: New Year's Day; Martin Luther King, Jr. Day; Presidents' Day; Memorial Day; Independence Day; Labor Day; Veteran's Day; Thanksgiving Day; Day after Thanksgiving; and Christmas Day.

Special schedules may be established if necessary because of problems with noise or similar difficulties affecting other County facilities, County operations, or citizens in homes or buildings/rooms adjacent to the work being completed. When the CONTRACTOR requests and is approved for Saturday, Sunday or Holiday work, the COUNTY may assess the CONTRACTOR the sum of Two Hundred Fifty and 00/100 Dollars (\$250.00) per man per day for each Saturday, Sunday or recognized Holiday worked or planned to work. These fees will be deducted from the final invoice.

7.16 Minimum Wage. The wage rate paid to all laborers, mechanics, and apprentices employed by the CONTRACTOR for the work under the Agreement may not be less than the prevailing wage rates for similar classifications of work as established by the Federal government and enforced by the U.S. Department of Labor, Wages and Hours Division, and Florida's Minimum Wage requirements in Article

X, Section 24(f) of the Florida Constitution and enforced by the Florida Legislature by statute or the State Agency for Workforce Innovation by rule, whichever is higher.

7.17 Protection of Property. All existing structures, utilities, services, roads, trees, shrubbery and property in which the COUNTY has an interest must be protected against damage or interrupted services at all times by the CONTRACTOR during the term of this contract, and the CONTRACTOR will be held responsible for repairing or replacing damaged property to the satisfaction of the COUNTY which is damaged by reason of the CONTRACTOR's operation on the property. In the event the CONTRACTOR fails to comply with these requirements, the COUNTY reserves the right to secure the required services and charge the costs of such services back to the CONTRACTOR. All items damaged as a result of CONTRACTOR or subcontractor operations belonging to third parties, such as but not limited to: sidewalks, irrigation, curbs, pipes, drains, water mains, pavement, mail boxes, turf, signs, or other property must either be repaired or replaced by the CONTRACTOR, at the CONTRACTOR's expense, in a manner prescribed by, and at the sole satisfaction of the COUNTY.

Furthermore, the CONTRACTOR shall repair or replace any portion of any of the COUNTY's facility, whether interior or exterior, damaged by reason of the CONTRACTOR's operation within the property. In the event the CONTRACTOR fails to comply with these requirements, the COUNTY reserves the right to secure the required services and charge the costs of such services back to the CONTRACTOR. All items within a facility belonging to third parties, or to commissioners, officers, employees, lessees, invitees, or agents of the COUNTY, including but not limited to personal items and furniture, must either be repaired or replaced by the CONTRACTOR, at the CONTRACTOR's expense, in a manner prescribed by, and at the sole satisfaction of the COUNTY.

The CONTRACTOR shall re-grade and re-sod any areas that are disturbed by the CONTRACTOR during the course of the work being completed.

7.18 Risk of Loss. The CONTRACTOR assumes the risk of loss of damage to the COUNTY'S property during possession of such property by the CONTRACTOR, and until delivery to and acceptance of that property to the COUNTY. The CONTRACTOR shall immediately repair, replace or make good on the loss or damage without cost to the COUNTY, whether the loss or damage results from acts or omissions, negligent or otherwise, of the CONTRACTOR or a third party.

7.19 Accident Notification. If in the course of completing work as part of this Agreement there is an accident that involves the public, the CONTRACTOR shall as soon as possible inform the COUNTY of the incident by telephone. The CONTRACTOR shall follow up in writing within two (2) business days of the incident. If law enforcement was involved and has written a report, the CONTRACTOR shall forward a copy of the report to the COUNTY.

7.20 License. The CONTRACTOR shall remain appropriately licensed throughout the course of the Service. If the CONTRACTOR employs the services of a subcontractor, the CONTRACTOR shall ensure that any subcontractor is appropriately licensed throughout the course of the Service. Failure to maintain all required licenses will entitle the COUNTY, at its option, to terminate this Agreement.

7.21 Drawings/Plans. If at any time the CONTRACTOR is supplied by the COUNTY or produces building drawings/documentation for construction or any other purpose, the CONTRACTOR shall not share, distribute, display, or in any other way transmit a copy of these plans without the consent of the COUNTY. If there is a need to allow another individual to view the plans, a written request (email is allowed) shall be submitted to the COUNTY's Project Manager. A written response (email is allowed) from the COUNTY must be obtained before the plans can be released for viewing.

7.22 Certification Regarding Scrutinized Companies that Boycott Israel. By executing this Agreement, the CONTRACTOR hereby certifies that, pursuant to Section 287.135, Florida Statutes, it is not listed on the Scrutinized Companies that Boycott Israel and is not participating in a boycott of Israel. The CONTRACTOR understands that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorneys' fees, and costs. The CONTRACTOR further understands that any contract with the COUNTY for goods or services may be terminated at the option of the COUNTY if the CONTRACTOR is found to have submitted a false certification or has been listed on the Scrutinized Companies that Boycott Israel list or is participating in a boycott of Israel.
