ADDENDUM NO. 1

Date: August 26, 2019

Request for Statement of Qualifications (RSQ) 20-0902

Round Lake Road Extension Design

It is the vendor's responsibility to ensure their receipt of all addenda, and to clearly acknowledge all addenda within their initial bid or proposal response. Acknowledgement may be confirmed either by inclusion of a signed copy of this addendum with their response by completion and/or return of the addendum acknowledgement section of the solicitation. Failure to acknowledge each addendum may prevent the bid or proposal from being considered for award.

This addendum DOES NOT change the date for receipt of bids.

Questions/Answers:

Q1. What are the anticipated design, construction and right of way fees associated with the advertisement?

A1. The design process has an estimated cost of \$2,300,000. The right of way and construction costs will be determined by the consultant during the design phase.

Q2. Since FDOT is partially funding the project are there any DBE and/or SBE requirements?

A2. No.

Q3. Is the FDOT fund LAP?

A3. This is not a LAP project.

Q4. There is no mention of lighting for the project. Can you confirm that lighting design is not a part of this project?

A4. Lighting will be required at the roundabouts. Lighting may be included along other areas which will be determined during the design process.

Q5. Is there a total page limit for the proposal?

A5. No.
