

BOARD ACTION

July 29, 2008

APPROVED	The Board moved to write a fundraising letter on County stationary on behalf of the Board to the business community in the region asking for support of Trout Lake Nature Center. Commr. Cadwell directed Ms. Cindy Hall, County Manager, to have Ms. Dottie Keedy, Director of Economic Growth and Redevelopment, put together a list of said businesses.	CADWELL
APPROVED	<p>Commr. Cadwell related that Commr. Teresa Jacobs from Orange County had requested a letter from the Board in support of her resolution regarding the St. Johns River Water Management District Consumptive Use Permit, and he also thought they should draft a resolution to take to the Congress of Regional Leaders on Friday, August 1, to ask for their support. Commr. Renick asked if they could send a letter to their legislative delegation as well, and the Board decided to add that letter as well as one to Governor Charlie Crist.</p> <p>Mr. Sandy Minkoff, County Attorney, informed the Board that they would be bringing back to the Board on Tuesday, August 5, a report based upon communication they have had with the cities in regard to the St. Johns decision regarding Niagra.</p>	CADWELL
