

CARDBOARD RECYCLING NOW AVAILABLE!

Effective October 1, 2008, residents in unincorporated Lake County may recycle cardboard along with their other curbside recyclables.

Cardboard must be flattened and/or cut into 2' x 3' or smaller sections and placed either in the yellow recycling bin or underneath it.

If you have any questions, please contact your garbage hauler or Lake County Environmental Utilities Customer Service.

Waste Management 352-787-4416
